Conditions of practice in Cyprus

A doctor to be managed to work in Cyprus has to be registered to the Cyprus Medical Council. He/She must be a European Citizen or married to a European Citizen. To do so he/she must submit the registration form which he could find in the website of Ministry of Health [www.moh.gov.cy](http://www.moh.gov.cy) and enclosed the following:

1. Birth Certificate or other proof of nationality
2. Certified copy of a medical diploma
3. Certificate of “Good standing” or “Certificate of current professional Status” that is issued by the Component Authority of the member state or member states where you have practice medicine in the past.
4. Registration to another Medical Council of Europe.
5. Certified copy of the Specialization title
6. Registration to the Civil Registry and Migration Department of Cyprus.
7. The amount of €300.00 for the registration and €200 for the recognition of a specialization title.

All the above is for the permanent registration in the Medical Council where the Greek language is tested. An EU citizen could be registered temporarily. To do that he must bring the above certificates 1-5 and furthermore for the temporary provision of Services the provider shall inform the Cyprus Medical Council in a written declaration including details of any insurance cover or other means of personal or collective protection with regard to professional liability. (Directive 2005/36/EK Article 7(I).

We would like to inform you also that finding a job in Cyprus is a personal issue.

Furthermore if someone would like to undergo internship in Cyprus has to be a European citizen or married to a European citizen, be registered with Cyprus Medical Council and speak very well the Greek language.
